VICEROY ANGUILLA

BEACHFRONT VILLA

**Square Footage** | 6,185, plus 3,331 of outdoor space

**Why We Love It** | The Kelly Wearstler-designed interiors (think: a neutral palette, graphic lines and organic textures) of this recently unveiled villa set a new standard in modern Caribbean luxury. But the *pièce de résistance* of this five-bedroom space is the double-height windowed living area that provides the perfect frame for dramatic Caribbean sunsets.

**Rate** | \$4,500
