SPECIAL REPORT OBAMA'S CRAZY WAR WITH FOX NEWS BY FRANK LUNTZ

Bored in these winter months? There is no better time to escape to the sun and reboost your vitamin D levels. Anguilla is a stunning destination and the **Viceroy resort** will keep your princess very happy. Set in 35 lush acres, the Viceroy offers 3,200 feet of beach front so there's plenty to go around. If you want privacy, the resort can organise a jaunt to a deserted island where you'll be left for the day to play shipwrecked. *From £415. Barnes Bay, West End, Anguilla. 001 866 270 7798, viceroyanguilla.com*
